

TERMS & CONDITIONS

Cortona Academy's Summer Camp program is designed to provide enriching, hands-on activities in a stress-free and fun environment. Course attendance or participation does not guaranty proficiency or measurable improvement in any future endeavor. Students do not receive credit or certification in any subject from any educational entity or government agency.

We understand that sometimes students sign up for projects for which they lose interest quickly. In such a case, we will allow them to move into another available project session, as their interest dictates. Every effort will be made to continue projects throughout the summer, and in some cases even throughout the school year.
