

# IF NOT TJ/AOS THEN WHAT?

A guide for parents searching for  
SMART, alternative, educational answers & options  
for their child in grades 7-12.

**Is your child bright, smart & motivated but not being  
chosen for elite programs, such as AP, IB & GT?  
Do you feel that your child's school system is failing you  
both? Are you at a loss when searching for a better-suited,  
superior education for your child?**

**You, the parent, have the power. Your child's future &  
happiness should be your decision, not anyone else's.**

Learn about the resources not controlled by the schools,  
that parents can govern by themselves & for their child.

Choose alternate courses  
outside of the system & the school.

Learn why AP's may not always be the answer?

Build your child's transcript & chances for scholarships!

Open the opportunity door for your own child, don't wait!

Make it fun, exciting & make it so that  
you enjoy time with your child.

START EARLY. LEARN HOW NOW!
