### Proper College Preparation & Planning

For parents of:

LD / ADHD / DYSLEXIA / ANXIETY & DEPRESSION /  
TWICE EXCEPTIONAL (LD & GT) Students

#### **How to Uncork Stress and Anxiety by careful, early planning.**

There is absolutely no reason why your child cannot have the exact same privilege of a wonderful education and a beautiful life as anyone else's child.

Cortona Academy has a 25-year history of being the PRO at not just educating, but also at ENSURING that all our students, including those with learning challenges, ADHD, Dyslexia, Twice Exceptional, or emotional difficulties, get into 4-year colleges WITH scholarships! We do all of this in a stress-free environment. How is this possible? Come and learn our SECRETS TO SUCCESS which you, too, can implement to help insure your own child's success!

The trick is **CAREFUL, CAREFUL PLANNING to AVOID STRESS!** As soon as the proper testing and diagnosis is completed, the parent needs to swing into action. Developing a "game plan" must be more than just choosing the right financial plan to pay for college. What good is having the money for college if your child has lost all motivation to even attend college? What good is this if your stressed-out child's anxiety and depression railroad all your dreams? What is the point of "cram schools," tutoring, and A.P.s if your child is constantly upset?

#### **Cost:**

**\$40 per person or \$50 per family: 1/2 PRICE if paid on-line, at least 2 days before Seminar.**
